**Dance by the Shores Information Sheet  
March 4th , 2017 UCSD Main Gym  
Welcome dancers!**

Dance by the Shores is open to all dancers, regardless of university affiliation, all levels, and ages. In the past, we have had competitors from all over California, Nevada, Arizona, Washington, Utah, and Florida. Over 30 schools attend our competition on a regular basis making our event awesome. Some of these colleges include USC, UNLV, UC Berkley, Claremont Colleges, SJSU, Caltech, UC Riverside, Chapman University, ASU, University of Arizona, Cal-Poly, Utah State University, New Mexico State University, BYU Idaho, and Stanford just to name a few. The past few years we have gone over 2000 entries and are expecting even more this year. The competition will include amateur single dance events, amateur multi-dance events, formation team, and of course our, very popular and absolutely crazy, team match event. And with our "all you can dance entry fee" for one nice price you can dance to your hearts desire with as many partners as you want. Even more exciting is that after a day of hard work, fun, and competition we are fortunate enough to have a very special professional showcase by US Rising Star Standard Champions Stefano & Bianka di Brino.

As a courtesy, all professional coaches, **non-competing** organizers, or **non-competing** captains will not be charged to attend our event in order to encourage them to cheer on their teams. Just submit a team summary sheet with the name of the coach/captain/organizer and indicate that they are the one attending the meeting.

The following is our complete Dance by the Shores Event Package, with all the information you need to come down to our corner of paradise and enjoy a thrilling time dancing, competing, watching wonderful performances, and forming new friendships! We have included a team worksheet for those colleges and universities who like to submit all of their entries together and need a central place for the financial data. If you have any questions, please feel free to contact me at (858) 268-4011 or email at [syndance@san.rr.com](mailto:syndance@san.rr.com).

We look forward to seeing you in March!  
Sincerely,  
Peter Edwards

**Dance category rules and regulations**

The Newcomer category is for dancers who have never competed or have been dancing less than one year. All Newcomer, Bronze, and Silver events are **Closed syllabus only**. Any violation of such will cause immediate disqualification. See USA Dance, NDCA, DIVDA, or ISTD for steps of approved syllabus. Gold Single Dance and Multi-dance events are **either closed syllabus or open choreography**. Any one individual can enter in their level and one higher in **BOTH** single dances and multi-dance events in any one style(ex. Newcomer and Bronze Latin or Novice and Pre-Novice Latin). This is to encourage dancers to dance with multiple partners and give more people the opportunity to dance. In the Open "anything goes" single dances, all levels will compete together and dancing can be closed syllabus or open choreography (ex. Lifts, Drops, Tricks, etc. are all acceptable). AS PER NEW USA Dance and YCN Rules: You may dance as either leader or follower in syllabus events **ONLY** (Newcomer through Silver), **HOWEVER** you may **NOT** switch roles during the competition at any time. (ex. If you dance as a **follower** for one event, you **CAN NOT** dance as a **leader** in the next.)

**Attire & Costumes**

No Shorts or Ripped Jeans should be worn while attending the competition (open single dance, team match, and formation team costumes excepted). Nice, casual dress at all events, please. Costumes are optional at all levels, but not required.

**Accommodations**

There is a limited amount of free housing available with the UCSD Dancesport Team members, offered on a first come, first serve basis. Additionally, we also have a list of nearby suite hotels that have special prices for teams coming to participate at our event. Please email [syndance@san.rr.com](mailto:syndance@san.rr.com) if you are interested in either type of accommodations.
