

New Sports Club Application

Please understand that significant administrative responsibilities accompany status as a sports club. The sports club program has limited staffing, finances, and resources, so we weigh each application heavily against our resources, the current sports clubs, and the needs of the student population. Although applications are accepted at any time throughout the year, applications will only be reviewed towards the end of spring quarter. You will be notified of the sports club administration's decision over the summer. If approved, your club may begin operating as a sports club the following fall. By filling out this application, you demonstrate that you understand and accept these terms and conditions.

Please attach any additional supporting documents, such as the club budget, NGB rules or bylaws, eligibility forms, travel forms, etc.
