Warning:

Adventure travel has inherent risks of injury and/or death. These risks contribute to the "adventure" aspect of our trips. UCSD Outback Adventures and its employees assume no liability for any damages, loss, injury or death as a result of our outings. Some trips have a prerequisite fitness level, for which the participants are responsible.

Which trip should I choose?

We have tried to arrange our trips in a way that makes it easy for you to find exactly what you want. All of our trips are arranged here by the length of trip, and then by date. You can also glance through the trips and look for the specific "trip icon" that you want.

Trip icons:

-  – camping/caving/backpacking/day hiking trips
-  – kayaking trips
-  – canoeing trips
-  – rock climbing trips
-  – horseback riding trips
-  – surfing trips
-  – snorkel trips
-  – snowboard /ski trips
-  – yoga trips

Is this going to be too hard?

All of our trips are geared for beginners with no previous experience or skill, unless otherwise noted. Our trips are designed to expose you to new skills and introduce you to the diverse activities that you can enjoy in the outdoors. Some of our trips, however, are more physically demanding than others. All watersports participants must be able to swim. If you have questions about whether a trip will fit your physical abilities, please contact the Outdoor Leadership Coordinator at (858) 534-3534.

Registration

To sign up for trips, register online, drop by Outback Adventures, Outback Surf Shop or RIMAC during our business hours.

Don't miss out! Register early because trips fill quickly. Sorry, we are unable to take registrations over the phone. Note that the first price listed is for UCSD students and Rec Card holders and the second price is for all others.

All trips depart from Outback Adventures Rental Shop unless otherwise specified.

Cancellation of trips

We plan for success. Outback Adventures creates trips and prepares resources and logistics with our mission, customers, and goals of the specific trip in mind. We are disappointed when programs must be canceled, but it happens on occasion. Some of the reasons we need to cancel a program are:

- predicted or prevailing unsafe weather conditions
- insufficient sign-ups
- illness or injury among the guiding staff
- rarely, other circumstances beyond our control

Trips & Classes Refund Policy

In the event that we must cancel a program due to one of the above stated reasons, Outback Adventures issues all participants full refunds. Participants are notified of the change in plans. Our staff immediately begins the process of issuing refunds.

- If you cancel your registration
- More than 28 days before 1st day of program = full refund
 - More than 14 days before 1st day of program = 75% refund
 - Less than 14 days before 1st day of program = no refund

NOTE: Transferring dates, programs or times constitutes a cancellation and the above policy applies.

You don't. Please inspect all equipment before you leave. If you find any damage or missing parts, immediately bring it to our attention so we can help you. **You are responsible for any cleaning, damage or missing parts upon return.**

How much equipment can I rent?

You can rent as much equipment as you like, but advance reservations are recommended to ensure availability.

What if I don't know how to use the equipment?

Please be sure to request instruction if you are the slightest bit unsure on how to use the equipment. Knowing how to use the equipment correctly will help save your time and help you avoid spending money on damage fees resulting from inexperienced use of the equipment.

Who gets discount student pricing?

Only currently enrolled UC students are eligible for student discount pricing. UC students from other campuses must present a valid UC ID to receive student pricing. UCSD Extension students are not eligible for student pricing as they do not pay student registration fees.

Can I buy your used equipment?

Outback Adventures typically hosts an equipment sale in the Fall and Spring Quarters. Please visit recreation.ucsd.edu/outback for the dates of the next equipment sale.

What if I lose or damage the equipment?

- You are responsible for any loss, theft, breakage or any other damage done to equipment rented out to you.
- Repair costs will be determined by our customer service representatives. Repair for severe damage or replacement costs will be determined by the program director or Outback store manager.
- Replacement costs for items normally rented in pairs (i.e. skis, boots, fins, etc.) will be the cost for replacement of the entire pair.

What if I am returning equipment late?

- You will be charged the additional day rental rate for your late items for **each** day they are late.
- We DO NOT waive late fees.
- Any items late by 3 or more weeks will be considered stolen and the deposit will be forfeited. Billing will be for retail replacement costs plus four weeks late fees.
