

## UCSD Surf Safari Personal Equipment Information

We've compiled this detailed equipment list so that you are clear about what you need, what you don't need and what optional items that you can bring. It is imperative that you read the equipment list carefully before purchasing or renting gear for the Grad Surf Orientation program, you likely own many of the items already. Please direct any questions to the Admissions Office, at (858)534-3534 or wo@ucsd.edu.

## **GENERAL INFORMATION**

Our course environments are characterized by unpredictable weather- it can get chilly at any time of the year. Generally speaking, weather in the surf

location brings marine layer (foggy) mornings, hot to warm days with cool to "brisk" evenings. Expect water temperatures in the upper 60s-lower 70s degrees Fahrenheit. Late summer is a beautiful time on the Pacific Coast, but can also be fairly foggy and windy.

You don't need to bring anything more than the items listed. The combination of these items along with the gear we provide will cover all of your clothing and gear needs for the course. Please note that all clothing and personal items must fit into a duffle bag.

**<u>Rental Information</u>**: After you register for WO, you will receive a link to complete a rental registration form online. Many items can be rented or purchased at the Outback Rental Shop. Be sure to submit your rental request form in a timely manner to ensure availability.

**DO NOT wait until the day you arrive at UCSD to secure the necessary equipment!** We cannot stress enough how important it is for students to arrive with their equipment in good order. Leaky rain gear, dripping water bottles, and ill-fitting boots are a hassle and compromise your own safety and comfort. Our time on campus is limited and we will not have time to shop for equipment. Items that are available for rental or purchase at Outback Adventures will be labeled in *italics* below.

**Equipment Check:** Before you leave for your trip, your guides will check your equipment and ask you to leave behind any items that are not suitable for the trip. If a piece of equipment is deemed unsafe or likely to fall apart in the field, we will require that you replace it by rental or purchase. This policy enables us to ensure the entire group has a safer, hassle-free experience at the break.

## **GENERAL EQUIPMEMT**

Remember, if you have any questions, please contact us!! We are more than happy to answer any and all of your questions!! Contact us at: (858) 534-3534 or <u>wo@ucsd.edu</u>
