# Welcome to San Diego

## Dear Guest:

Welcome to UC San Diego! As we look forward to your team's visit, the Sports Clubs staff has compiled this travel guide in the hopes that you'll utilize it as an invaluable online resource. Inside you'll find a useful collection of information to assist you during your stay, including travel tips, dining hotspots, lodging, entertainment attractions and more! It's our hope that this guide will make your time spent here that much more enjoyable.

## So, What's San Diego Like?

Renowned for its idyllic climate, San Diego is blessed with 70 miles of pristine beaches and a dazzling array of world-class family attractions. Popular tourist hotspots include the world-famous San Diego Zoo and Wild Animal Park, SeaWorld San Diego, and LEGOLAND California. San Diego offers an expansive variety of things to see and do, appealing to guests of all ages from around the world.

For our nature-conscious visitors, San Diego's East County terrain varies from gentle foothills to mile-high mountains including the historic mining town, Julian. Coupled with the majestic 600,000-acre Anza Borrego Desert State Park, San Diego offers endless opportunities to hike, camp, fish, and observe wildlife in pristine natural beauty.

San Diego's artistic side is also booming. Balboa Park, the largest urban cultural park in the U.S., is home to a staggering 15 museums, numerous art galleries, beautiful gardens, and of course the Tony Award-winning Globe Theater. And if it's the culinary arts you're interested in, San Diego's got you covered with the hottest new culinary talents preparing award-winning meals throughout the region's 6,400 eating establishments. San Diego County features 92 golf courses, a variety of exciting participatory and spectator spots, beachfront resorts, luxury spas, gaming, a dynamic downtown district, annual special events and unique holiday offerings, multicultural festivals and celebrations, a rich military history, colorful communities and so much more. We hope you enjoy your stay here in beautiful San Diego.

**When you get to UCSD, remember that there are policies that will be enforced and must be followed. Please respect those who ask you to do so, including campus signs.**

**Stay Classy!**

1) The UCSD Sports Medicine team (athletic trainers and/or team physicians) reserves the right to disallow participation to any athlete we deem medically unfit to participate regardless of private physician approval or recommendation.

### 2) Event coverage

- a) UCSD Athletic Trainers will be at all Men's and Women's Rugby, Men's and Women's Lacrosse, and Ice Hockey games that the UCSD team is participating in. Men's and Women's Soccer and Ultimate Frisbee will also be covered as schedules permit; other sports will be covered on a case by case basis.
- b) ATs will provide coverage for single games that UCSD participates in; UCSD ATs will only provide coverage for multiple games during tournaments (including games that UCSD does not participate in).
- c) ATs will NOT provide coverage for "hosted" single games on our fields. It is the UCSD captain's/ coach's responsibility to contact the competing schools and ask them to bring their own AT or to hire an outside athletic trainer from our approved list to work such events.
- d) For covered events athletic trainers will usually be available for taping 30 minutes prior to the beginning of the warm-up. **Note: Athletic trainers are not responsible for diagnosing / evaluating pre-existing conditions.**

### 3) Athletic Training Students

- a) The UCSD athletic training room is a teaching environment, with many eager and intelligent students ready to gain knowledge from an injury and assist with your needs. Athletic Training Students will often assist during events allowing the Athletic Trainers to work more efficiently. Your patience and cooperation with them is greatly appreciated.

### 4) Water and Ice
