Welcome to your Outback Adventures Catalina Island trip! Below is a list of things you should bring on the trip. If you have any questions about what you need, your guides will be happy to answer them by email or in person at your pre-trip meeting.

**GENERAL INFORMATION**

- Our course environments are characterized by unpredictable weather - it can get chilly at any time of the year. Generally speaking, weather at Catalina Island location brings marine layer (foggy) mornings, hot to warm days with cool to “brisk” evenings. Expect water temperatures in the upper 60s-lower 70s degrees Fahrenheit. Late summer can be a beautiful time on the Pacific Coast, but can also be fairly windy.

- You don’t need to bring anything more than the items listed. The combination of these items along with the gear we provide will cover all of your clothing and gear needs for the course. Please note that all clothing and personal items must fit into a duffle bag.

**Rental Information:** Many items can be rented or purchased at the Outback Rental Shop. A gear rental request section will be included in the Wilderness Orientation Online Forms you will receive after registration. Be sure to submit your rental request form in a timely manner to ensure availability.

- **DO NOT wait until the day you arrive at UCSD to secure the necessary equipment!** We cannot stress enough how important it is for students to arrive with their equipment in good order. Leaky rain gear, dripping water bottles, and ill-fitting boots are a hassle and compromise your own safety and comfort. Our time on campus is limited and we will not have time to shop for equipment. Items that are available for rental or purchase at Outback Adventures will be labeled in *italics* below.
**Equipment Check:** Before you leave for your trip, your guides will check your equipment and ask you to leave behind any items that are not suitable for the trip. If a piece of equipment is deemed unsafe or likely to fall apart in the field, we will require that you replace it by rental or purchase. This policy enables us to ensure the entire group has a safer, hassle-free experience at the break.

**Trip Policies:**
- Rental gear listed as provided below by Outback Adventures must be reserved on your Formsite forms.
- All participants must sign a liability waiver to participate. Current emergency contact must be provided and must not be another participant on the trip.
- Drugs, alcohol, tobacco, and firearms are not permitted. Presence of these items is grounds for immediate removal from the trip at your expense.
