 - There was a report of minor theft, and graffiti, of a vehicle from possible students who were driving it around campus that was seen on video. The wheel lock was broken but no damage occurred. We will look for a better security device.
 - Teams are competing and ICA testing protocols are not as strict as they were in the past.
 - We will be renting out the soccer field to the Vancouver Wildcaps Major League Soccer Team, earning revenue of \$50K to be spent on field improvements, benefiting both Recreation and ICA.
